

THE FORTUNES OF PHILIPPA

The Fortunes of Philippa

by Angela Brazil 1868-1947

The Fortunes of Philippa is based on the author's mother, Angelica Brazil, who had grown up in Rio de Janeiro and attended an English boarding school at the age of 10, finding the English culture, school life and climate confronting.

Angela Brazil (pronounced "brazzle") was one of the first British writers of "modern schoolgirls' stories", written from the characters' point of view and intended primarily as entertainment rather than moral instruction. In the first half of the twentieth century she published nearly 50 books of girls' fiction, the vast majority being boarding school stories. (Wikipedia)
